

Name:

Date:

Project Title:

How many illustrations do you need?

What type of illustrations do you need (eg. Graphical abstract, schematic figure, cover art, video editing, file formatting, animation, etc.)? *List and describe:*

What is your planned use? (eg. publication, grant proposal, presentation, etc.)

What organization are you submitting to? (eg. Cell Press, eNeuro, Science, NIH, etc.)

What is your submission deadline? *Please note, any deadline within 14 days of the initial project meeting is considered a rush project.*

Do you have a completed manuscript? If so, please attach a copy when you return this form.

By initialing here I understand that the work produced for this project is created by Noelle Burgess and is under Johns Hopkins University copyright. I agree that this work will be used only for the purposes noted on this form. Furthermore, I agree that no portion of the work produced for this project will be published, reproduced, reused, copied, stored, or transmitted in any form without the prior, explicit written consent of Noelle Burgess, Ted Dawson, or Valina Dawson.
